

# SOUTHERN INYO WILDERNESS MEETING

Inyo County Board of Supervisors Meeting:

Lone Pine – Tuesday December 16, 2008 Statham Hall at 6 PM

This meeting is for public comment regarding the new 700,000 acre wilderness proposed for Southern Inyo County.

A California Wilderness Coalition Representative stated that one of the reasons for this bill was to STOP MINING. The mine that is trying to re-open in Darwin will be stopped as it resides in the new wilderness

If you do not wish to speak, you may bring written comments. WE NEED SUPPORT

If you can't make it please give your written comments to those that can. Or mail them to:
